

## THE PARISH OF ST. MARGARET, INGOL

Dear friends,

I hope this finds you all well and not in need in what continues to be most difficult times? The news I hear from our parishioners is, on the whole, good, and we remain well and coping, that is great news. And so many of you continue to join me in prayer daily at 8.30am and 4pm and at 10am on Sundays creating a circle of prayer around the whole of our parish, sending that message of faith, hope and love to everyone we know. Thank you; please continue to join me in prayer at these times, it is so important that we do so.

Re-opening of church. I know that this is a subject on a lot of people's minds judging from the e-mails and phone calls I have been receiving recently. As I write work continues apace to get things ready to re-open. There is much work to be done to ensure that everyone will be safe when they come into church. The virus has not gone away, and we need to make sure that every precaution possible is taken to prevent any cross infection and possible spread of the virus from within our church. And I have to say things will be **VERY** different when we are open. We will be limited on numbers, we cannot sit in "our" pews anymore, there will be no singing.....it all sounds very negative, but it is not, the joy is that we will soon be back together fit and able to worship God in our own church setting, just in a different way. I hope to be sending out further information regarding dates and how things will be undertaken in the next few days.

For those of you who would like to continue receiving the letters and the services, please can you let me know, I had little response last time I asked, so I am presuming that I still am to send services and letters out to everyone? If you do not want to continue receiving these please let me know, my number is 10772 727208 or I can be reached by e-mail on [revrie52@outlook.com](mailto:revrie52@outlook.com). Thank you.

Short and sweet this week, as I hope to be sending further communication in the next few days. Please keep joining me in prayer, and I hope to be seeing you very soon in church.

With my love and every blessing

Rev Rie
