

THE PARISH OF  
ST. MARGARET,  
INGOL

Hello dear friends,

I hope that this letter finds you well and not suffering too much from being isolated from family and friends once again in the recent further restrictions that we have been under? I can hardly believe that this is September and I am doing services to send to you for the first half of the month. Where, oh where has the year gone? Despite the fact that we have been “locked away” for most of it to date it seems to have flown by. I cannot believe that I have received recently, and seen in some shops already, stuff for Christmas! NOOOOOO! That really can’t be right can it? I pray that restrictions will be eased again soon, and we may be able to look at getting more people back into church, we miss you! And booking in for Midnight mass Christmas Eve really does go against the grain!

Our booking systems for church are going well to date, most people getting the hang of it all now. We are usually “full” at the 10am, but there is often space at the 11.30, so if you would like to come please let me know and we can book you in. Unfortunately, there will be no 11.30 on 6<sup>th</sup> September as I am away and we only have cover for one service, which, with the current restrictions, I think is only fair. We cannot expect a visiting priest to hang around for 2 services, possibly putting themselves at risk; the following week, the 13<sup>th</sup>, we will be back to full capacity as I will be back then. Please still ring in and join us, we would love to see you if that is possible.

We have a new contact phone number for church, enabling you to get hold of me when I am out and about as I know I am not the easiest to try and catch at home. Also, if I am away, one of the wardens will be holding the phone, so please put this number in your phones so you can get hold of us should you need us. Thank you, the number is....

**07957334562**

Stay safe now everyone, if there is anything that you need please ring, on 07957334562 or on 01772 727208, and I will be only too happy to help out if I can.

With my love and every blessing

Rev Rie
