

Dear friends,

It is with deep regret that I have to inform you that, with immediate effect, all services in St Margaret's Church will be suspended until further notice. I am so sorry, but I am sure that you understand that in these difficult times we must take every care to look after each other and to support and protect those who are vulnerable in our community.

We hope that we can still be of service to our parishioners and community. If you know of anyone who is house-bound and may need help at all, please contact me on revrie52@outlook.com and we will be only too happy to help if we can.

Although church is closed for public worship, I will be in church praying for you all on a daily basis and I ask that you please join me in prayer, in your homes, praying for help and consolation at such a difficult time. We will endeavour to post a weekly prayer sheet for all to use and follow at home, but if you would like to "join in" a service I have listed below live streaming of services you may like to join in with. We need to show that the Church has not shut up shop, we are just not so visible as before, and we are certainly here to serve and help if we can in any way.

Please be assured that I will be holding you all close in prayer. The Archbishop of Canterbury has asked that at 8pm this Sunday, 22nd March, that we all place a lighted candle in our windows as a sign that the Church is still alive and kicking and that we can still share God's light and love with as many people as possible by doing this. I urge you to join me in doing this, let's show Christ's light shining all round Ingol.

When we know of any developments, we will let you know.

With every blessing

Rev Rie walker
